

New Zealand Winegrowers would like
to invite you to the inaugural:

The New Zealand Winegrowers

“Grape Day”

The theme of the day is:

“Tough times lead to smart viticulture”

New Zealand Winegrowers Research Committee is extremely proud to invite you to the inaugural “Grape Day” workshop- an informative and stimulating day presenting key aspects of the research programme. The key purpose of the technical workshops is to showcase the large amount of research funded by New Zealand Winegrowers. This is the first of a new workshop series that will be ongoing.

Workshops will be held in mid October and mid June each year.

Two workshops are available:
South Island - 13 October 2009
Marlborough – Marlborough
Convention Centre, Blenheim
North Island - 15 October 2009
Hawkes Bay – Vidals, Hastings.

These workshops are free of charge.

Plant & Food
RESEARCH
RANGAHAU AHUMĀRA KAI

These workshops are free of charge. For logistics and catering purposes it is essential that you pre-register on-line at www.plantandfood.co.nz/conferences/grape-day or contact the conference organisers to confirm your attendance.
